but before starting the match, the scorer must obtain the following information:

- 2.1 From the 1st referee :

- The side of the playing court where each team begins.
 - The team that serves first.
- From the 2nd referee the line-up sheet for the first set (fig. 3) with the numbers of the players recorded in their starting positions, and the number of the Libero Player "L".
- 2.3 With the information obtained, the scorer proceeds as follows (fig. 4):
 - In the upper left square, entitled "SET 1", he/she records the country codes of the teams "A" and "B" in the boxes corresponding to the sides of the playing court in which each team begins the set (team "A" is to the left of the scorer and "B" to the right) and marks with an **X** the encircled **S** of the team serving first and the **R** of the team receiving first. The corresponding letters "A" or "B" are placed in the blank circles:

- in the Teams section (see 1.10) in the top portion of the scoresheet;
 - ii) in the "Teams" section in the bottom right portion of the scoresheet (see 1.11).
- Then, in the square on the right entitled "SET 2" he/she writes on the right side the name of team "A" and on the left side the name of team "B". The scorer marks with an **X** the encircled **S** or **R** of each team to indicate that for this set the serving team is the team which received the first service of the previous set and vice versa.
 - Below the square "SET 1" is the square "SET 3". Here he/she records the names of the teams and marks the encircled letters **S** and **R** in the same way as for set 1.
 - If necessary, on the right, under the square "SET 2" is the square "SET 4", in which the names are recorded and the circled **S** and **R** are marked as for set 2.
- 2.4. With the line-up sheet obtained from the 2nd referee, the scorer proceeds before each set as follows (fig. 4):
 - He/she records in the boxes under the Roman numerals **I** to **VI** on the line entitled "STARTING PLAYERS" on the side of each team, the numbers of the recorded players following the order determined by the Roman numerals **I** to **VI** of the respective line-up sheet.
 - Example (fig. 4):

For the team "A":

Under I	no. 8
Under II	no. 4
Under III	no. 5 etc.
Under I	no. 3
Under II	no. 1
Under III	no. 6 etc.

For the team "B":

Under I	no. 8
Under II	no. 4
Under III	no. 5 etc.
Under I	no. 3
Under II	no. 1
Under III	no. 6 etc.

III. DURING THE MATCH

During the match, the scorer proceeds as follows (fig. 4):

- 3.1 At the top of the square "SET 1", in the box "START time" he/she marks the time at which the referee whistles for the 1st service. Example: 16:02 (actual starting time in hours and minutes)
- 3.2 He/she checks the order of service according to the order in which the players were recorded under the Roman numerals **I** to **VI** printed on the second line of the square of each set and which they must follow.
- 3.3 He/she records the services of each player and controls the result of each service following the order of the boxes numbered **1** to **8**, in the column in which is recorded the number of the server which correspond to the 4 lines marked "SERVICE ROUNDS" in the left part of the square of the set. The scorer proceeds as follows :
 - The first service is indicated by ticking (✓) off the number of the box marked **1** in the column of the serving player. Once the team has lost the service, the total number of points scored by the serving team to that point in the game are recorded in this box.
 - The scorer then passes to the other team section of the square of the first set and puts an **X** in the service box **1** of column **I** of the opponent team. The team must then rotate and the player whose number is recorded in column **II** serves. The number in box **1** column **II** must be ticked off (✓).
 - On the right of columns **I** to **VI** of each team there is a "POINTS" column, numbered from **1** to **48**. This is the column to record from top to bottom the score of the corresponding team by slashing (/) the number of points scored. When the team loses the service, the last

number marked in the "POINTS" column is recorded under the box whose ticked off (✓) number (in this case **1**) corresponds to the player who had the service.

3.4 Example of recording of points and control of service in a set:

- The team "A" wins the right to serve first and No. **8** who was recorded in position **I** serves first. Team "A" wins the rally and also a point, the scorer slashes off (/) the **1** of the "POINTS" column. The following rally is also won by team "A", the scorer slashes off (/) the **2** of the column, etc.
After winning **4** consecutive points, Team "A" loses the service. The scorer writes the number **4** in the box **1** of the column **I** of player No **8** of Team "A". Thus we know that this team won 4 points when player No. 8 had the service.
- The scorer then passes to the section corresponding to the team "B". After winning the rally and the right to serve, the team "B" gains one point and the point **1** of the "POINTS" column of that team is to

- change is recorded in the box entitled "POINTS AT CHANGE" on the top line of the same third section. Any points scored after the change must be marked in the column "POINTS" on the far right.
- When there is a change of service, the team which obtains the right to serve marks a point: the scorer slashes out (/) the next point in the column headed "POINTS" and ticks (✓) the number of the small box in column **II** (cf. 3.4.c).
 - If there is a tie **14:14**, the set continues until a team obtains a two points lead on the other.

3.6 SUBSTITUTIONS:

The procedure for recording the substitution of a player who begins a set is the following:

- The number of the substituting player must be put in the box below the number of the player leaving the court.
- In the same column, in the upper box of the "SUBSTITUTES SCORE", the scores of both teams up to that moment must be recorded (the score of the substituting team on the left, the other on the right).
When the substituting player is, in turn, replaced:
- The scorer ensures that the number of the player replacing him/her is identical to that recorded above the number of the player leaving the court. The latter's number is **circled** to show that he/she may not legally reenter the court in the same set.
- The number of points scored by the teams up to that moment must be recorded in the lower box of the line "SUBSTITUTES SCORE".
- Example:** Player No. **5** of the team "B" replaced No. **6** when the score was **3:7** and No. **6** returned to his place when the score was **7:9**. The first digit of the score is always the number of points scored up to that moment by the team that makes the substitution.
- Exceptional substitutions for an injured player or replacement of an injured Libero Player must be recorded in the "REMARKS" section. The scorer must indicate the set, the team's name, number and name of the injured player or libero and that of the new player or Libero and the score at change.

3.7 TIME-OUTS:

- Below the "POINTS" column of each team, are two boxes headed with a "T":
- When a team obtains its first time-out, the scorer records, in the upper box, the points scored by both teams up to that moment.
 - When the same team obtains its second time-out, the scorer records, in the lower box, the points scored by the teams up to that point. The first digit of the score is always the number of points scored up to that moment by the team that requested the time-out.
 - Example :** The team "B" requested its first time-out when the score was **7:12** and its second time-out was taken when the score was **21:23**.

3.8 RECORDING OF SANCTIONS (Fig. 6) :

- For **Misconduct Sanctions**:
 - All sanctions must be recorded in the lower left part square of the sheet, by marking the N° of the sanctioned player or the initial of the function as in the "OFFICIALS" section of the lower right hand square (see 1.13) for sanctions in the corresponding column : "P" for a penalty, "E" for an expulsion and "D" for a disqualification. "A" or

"B" is put in the column of the teams to indicate the team, and the N° of the set and the score at the moment of the sanction are indicated in the respective columns.

- Points scored due to a sanction for misconduct of the opponent must be **circled** in the "POINTS" column.

Fig. 6

SANCTIONS				SET	SCORE
W (Warning)	P (Penalty)	E (Expulsion)	D (Disqual.)		
D				A 1	17 : 15
	D			A 1	24 : 21
	5			B 3	15 : 6
D				B 3	15 : 6
		AC		B 3	15 : 6
	13			A 3	22 : 20

- For **Delay sanctions** :

- Delay sanctions must be recorded in the lower left part square of the scoresheet, by marking a "D" for delay sanctions in the corresponding column : "W" for a warning, "P" for a penalty, "A" or "B" is put in the column of the teams to indicate the team, and the N° of the set and the score at the moment of the sanction are indicated in the respective columns.
- The delay penalty entails the loss of rally. The scorer shall record it following the normal procedure by **circling** it in the "POINTS" column, after having filled in the penalty box as indicated above.

IV. AFTER THE MATCH

At the end of each set and match, the scorer records in the square "RESULTS" (Fig.7) :

- 4.1 the name of team "A" in the left-hand section of the square and the name of team "B" in the right-hand section;
- 4.2 in the column entitled "SET(duration)", opposite the number of each set played, he/she puts in brackets the time the set lasted, and in the box marked "TOTAL SET DURATION" he/she records the total length in minutes of all the sets played:
 - duration of a set:
a set starts from the referee's whistle for the first service of this set and ends with the referee's whistle for the last point of that set;
 - total duration of a match:
a match starts from the referee's whistle for the first service of the first set and ends with the referee's whistle for the last point of the final set;
- 4.3 in the column marked "POINTS" of each team, he/she writes, in the box corresponding to each set, the points scored by the respective teams, and in the box corresponding to the line "TOTAL" he/she records the sum of the points scored in all the sets played;
- 4.4 in the column marked "W", he/she writes the letter **W** in the box corresponding to each set on the side of the team that won the set. He/she then records the sum of the sets won by each team in the box corresponding to the line "TOTAL".
- 4.5 In the column marked "S" (Substitutions), he/she writes in the box corresponding to each set the number of substitutions made by the respective teams. In the box corresponding to the "TOTAL" line, he/she
